Subject: Rally with Us on 8.28 to End IL Overdose Deaths #EndOverdoseNowIL

Dear [Subscriber's Name],

**Illinois is losing ten people daily due to unintentional drug overdoses**, more than any other accidental death. These are our friends, neighbors, and loved ones. The Illinois Harm Reduction & Recovery Coalition, in conjunction with the Chicago Recovery Alliance, TASC, Thresholds, AIDS Foundation Chicago, and many more, is hosting the **End Overdose Now Illinois Rally & Resource Fair on August 28, 2023, at the Federal Plaza in Chicago from 3:00-7:00 PM.**

This event aims to raise awareness about the importance of overdose prevention/response and harm reduction and advocate for compassionate and evidence-based approaches to support individuals affected by overdose. The rally will feature compelling speakers and interactive exhibits highlighting the importance of life-saving interventions, including a mock overdose prevention site hosted by the Chicago Recovery Alliance.

**Date: August 28, 2023**

**Time: 3:00 PM - 7:00 PM**

**Location: The Federal Plaza, 230 S. Dearborn St., Chicago IL**
